

# Rosebank Care Home

Ellesmere

*care and comfort,  
just around the corner*

*It's the people that make the difference*

Rosebank Care Home can be found just 5 minutes from Sheffield City Centre, in a quiet residential area. It is on a direct bus route from the City Centre and close to amenities such as shops and restaurants.

Rosebank Care Home currently has 26 beds of which 20 are single and 3 twin rooms for those who want to share.

## How much does a care home place cost?

This is a frequently asked question, with variable answers. In short, fees vary according to individual circumstances. Funding is available from your Local Authority Social Department, for those who meet the eligibility criteria and therefore qualify.

At all our care homes we accept private and local authority funded residents. We also offer both short and long term respite care.

If you need any further help or want to discuss anything in more detail simply call us anytime.

Call us on 0114 261 8618  
to arrange a visit to see  
the facilities for yourself

Silver Healthcare is one of Sheffield's leading Independent Care Providers with over 20 years experience. We believe that care homes should be warm and welcoming places with a loving community feel, so that our residents actually want to be here and their friends and families are able to see them settled and happy. All our homes are maintained to the highest standard with beautiful gardens for our residents to enjoy and excellent meals to tempt all appetites.

All of our staff are qualified, experienced professionals, with that extra empathy that makes for a caring, family atmosphere to provide our residents with a "home away from home."
